Anton

Anton is designed to surprise with comfort. The combination of the right springs and high-resilience foam in the seat, along with the appropriate silicone blend filling the cushions, makes it irresistible to sit on as you pass by this piece of furniture. And since the materials used are exceptionally durable, You can sit as much as you like! We anticipated that you might want to place this piece in the center of your living room to sit on it even for a brief moment, so the back is also upholstered – Anton looks elegant from every angle. Its harmonious, slightly rounded shapes and narrow sides will blend beautifully with interiors of various styles.

What makes the Anton sofa stand out?

Wave springs make the seat more flexible and provide an excellent base for high-resilience foam.

You have the option to choose fabric from dedicated collections, including easy-to-clean fabrics.

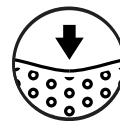

The furniture is fully upholstered, which allows you to place it in the center of the living room.

In the collection, several leg colors are available. You decide which color you want. Did you like them and want to buy them, for example, for a dresser? Of course, you can.

The perfect fit of the seat and backrest to the anatomical shape of the human body ensures exceptional comfort and ergonomics.

The high-resilience foam used increases the durability and elasticity of the seat, preventing deformations.
