Bella Vista

The Bella Vista sofa is an elegant and sturdy piece of furniture that makes an impressive addition to any interior. Its double-sided design allows for various configurations in the room, while its solid construction ensures comfort and durability for many years. It perfectly meets the needs of those seeking functionality and luxury in their surroundings.

## What makes the BELLA VISTA stand out?

The sinuous springs make the seat more flexible and provide a perfect base for high-elastic foam.

You have the opportunity to choose a fabric from dedicated collections, including fabrics that are easy to clean.

The furniture is fully upholstered, so you can put it in the middle of the living room.

The highly elastic foam used increases the strength and elasticity of the seat preventing deformation.

Mixed filling: Natural feathers and silicone balls.
